[LGOIMA Response 027_24 Building Consents 2019-2023.xlsx](#)

Dear [REDACTED]

We refer to your official information request dated 13 March 2024 for building consent information.

To gather the information for dwellings between Westport to rural or suburbs is currently quite an intensive task and not an easy item to extract from Council files or computer system, as it does not readily break these down to the level that you are seeking. It is noted that this would require a physical count for each of the requests for each year. Accordingly, Council has provided the dwelling consents issued for the year requested, the values and the street they are issued to. Please refer to the attached spreadsheet for this information.

Your request was as follows:

I request the following information under the Local Government Official Information and Meetings Act:

- 1. The number and type of building consents (ie new dwellings, alterations, outbuildings etc) issued by the council for the calendar years 2019, 2020, 2021, 2022 and 2023.*
- 2. Please provide the annual value of those consents.*
- 3. Please identify the nature of any large consents.*
- 4. How many of the consents issued for each of the five years were for building work in Westport (ie between the Orowaiti and Buller rivers) and what was the yearly value?*
- 5. How many and what type of the consents issued for each of the five years were for building work in Karamea, Mokihinui, Ngakawau, Granity, Waimangaroa, Alma Road, Cape Foulwind, Reefton, Charleston, Punakaiki, or elsewhere (not including Westport)?*
- 6. Please provide the annual value of consents issued for each of those areas.*
- 7. The number of consents for each of the five years issued for relocatable homes (and the number of those finished homes which ended up in Buller, if council has that information).*

I'd appreciate narrative from council if there has been a substantial increase/decrease in building consents.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you wish to discuss this decision with us, please feel free to contact the Buller District Council by return email to lgoima@bdc.govt.nz.

Please note that it is our policy to proactively release our responses to official information requests where possible. Our response to your request may be published at <https://bullerdc.govt.nz/district-council/your-council/request-for-official-information/responses-to-lgoima-requests/> with your personal information removed.

Kind regards
